Sir:

On March 14, 2005 the PTO issued a Notice of Abandonment for failure to timely reply to the Notice to File Missing Parts mailed on June 10, 2004. However, the Notice to File Missing Parts was never received by the undersigned attorney for Applicants.

The undersigned attests to the fact that a search of the file jacket and docket records indicates that the Notice to File Missing Parts was not received. A copy of the docket record of the undersigned attorney for the due date of August 10, 2004 is attached showing the absence of a response due on August 10, 2004. Also, the global docket for the law firm of the undersigned attorney is attached showing the absence of a response due on August 10, 2004.

Additionally, a copy of a Status Inquiry filed December 14, 2004 is attached. The Status Inquiry was filed because no communication was received from the PTO in connection with the above identified application.

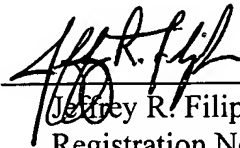

In view of the above, it is clear that the holding of abandonment should be withdrawn.

If any additional information is required, please contact the undersigned by telephone.

Respectfully submitted,

Satoshi ANDO et al.
